

AIRPORT INSTRUCTIONS

ARRIVALS THROUGH THE PUNTA CANA AIRPORT

MEETING POINT DOMINICANA is committed to offer you a smooth and pleasant arrival to the Dominican Republic. Please pay close attention to the following suggestions using the map to get oriented, in order to avoid delays and to guarantee your arrival to our service counter.

MIGRATION & CUSTOMS

Pass through Passport Control, go to the corresponding carousel for your luggage and go through Customs Control.

Ignore any transportation or excursions offer you may receive at this point. Opportunistic vendors offer products with no guarantee of service or insurance.

VACATIONS CLUB

After Customs Control, do not stop at the counters of the Vacation Clubs, as they will make you lose time offering you confusing services with no real benefits, taking the risk of being fraud victim and losing your organized transfer.

Warning: MEETING POINT DOMINICANA will not be responsible for services purchased or offered by the Vacations Club. Only MEETING POINT personnel properly identified with our uniform and in our counter, is authorized to offer assistance and provide your transportation service previously scheduled with your Travel Agency.

MEETING POINT COUNTER

Our uniformed staff will welcome you and confirm your services: You will receive an envelop with general information and contact numbers for assistance in destination. You will also find in the envelop instructions regarding your departure transfer and pick up time.

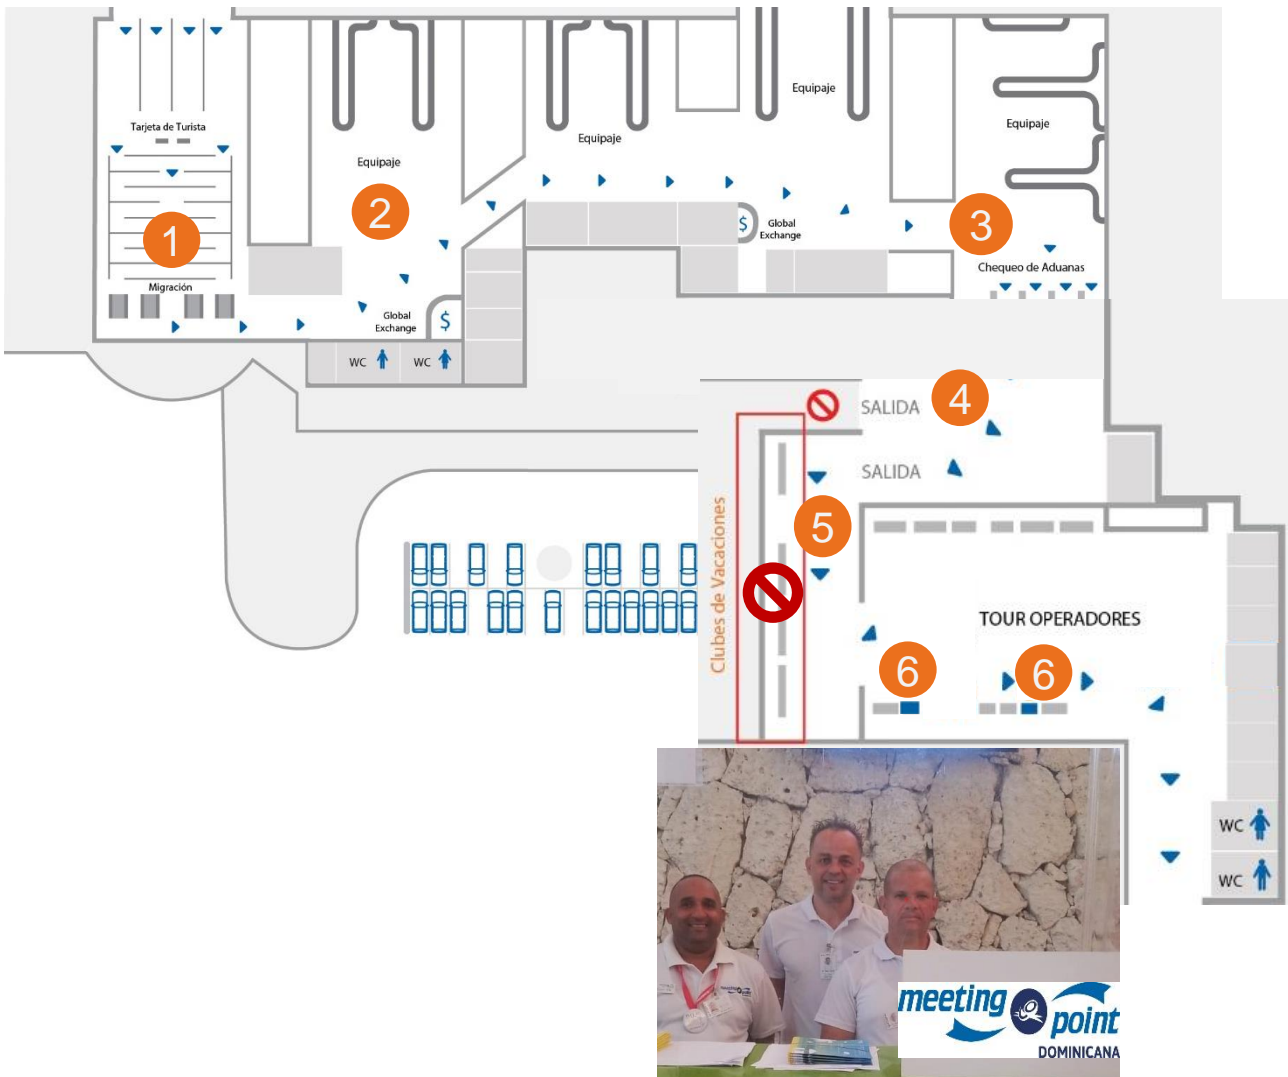

TRANSFER

Lastly, our staff will guide you to board one of our comfortable vehicles that will take you to your hotel.
